

Where is Poio?

He might have been swallowed by a whale.

He may be lost in the jungle.

Maybe the
Monkey got him.

Poor Poio!!!

BUÁÁÁÁ!!!

Why are you crying?

We were
worried
with you.

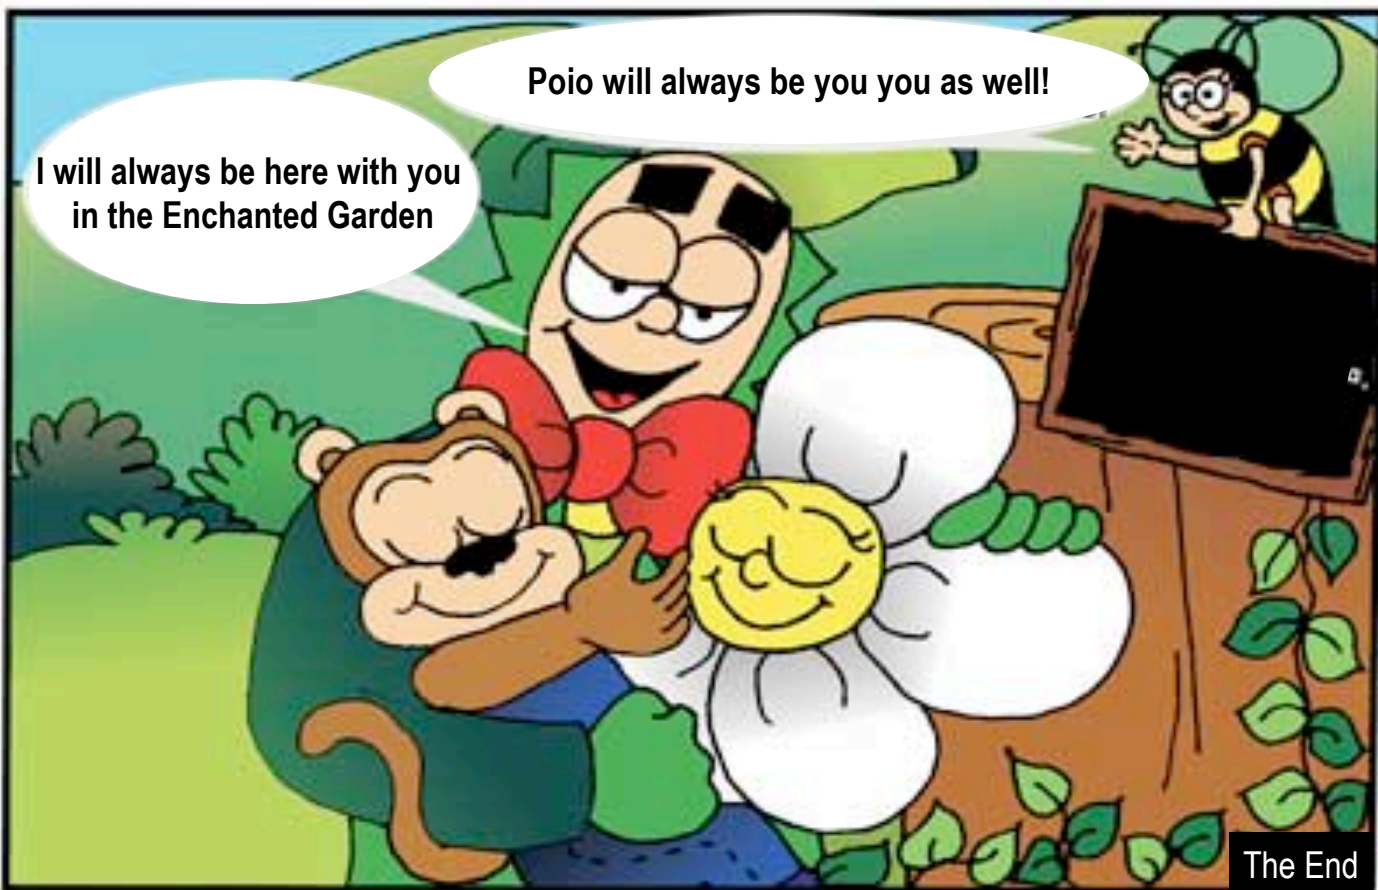

I was late because the ant
wanted to talk to me

How good you're back.

Poio will always be you you as well!

I will always be here with you
in the Enchanted Garden

The End
